Why become a Heartwood Voyager?

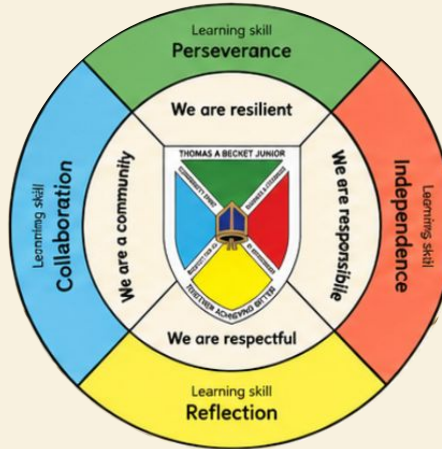

Community spirit

Being part of something bigger, supporting each other and making memories together.

Resilience

Facing new challenges, giving things a go and growing in confidence.

Independence

Trying new experiences, making choices and doing more for themselves.

Respect for all

Living and learning together, showing kindness, consideration and respect for everyone.

It's not simply about going away.

Anything else?

We want your child to feel happy, safe and confident so please share anything that you think we should know, no matter how small.

We meet and discuss together every child's form so that we can make sure that, while your child is away from you, we can look after them just as you would want us to. We will contact you if we want further details about anything that you have put down.
