Dear Parents and Carers,

Scooter Training

On Tuesday 13th October at 8.00am we will be running our scooter training session for any pupils who do not already hold a permit which allows them to scoot to school. This will take place on the school playground and will be led by Mrs Mayes and Mrs Pickford.

The session will teach the pupils how to be safe when traveling to and from school on their scooter, as well as reinforcing the importance of being respectful towards other members of the public whilst scooting on the pavements.

We expect pupils to have this permit before they are able to bring their scooter into school.

Please follow the link below if your child wishes to take part in this session.
